

ECO Reader

Reading for the Future
Read eBooks anywhere

The ECO Reader is as small and as light as a paperback but without the paper. Read for days without recharging. Take it anywhere and pick up where you left off. It's just like paper and easy on your eyes.

Features

- 15cm E Ink screen
- 16 level greyscale
- MP3 music player
- Rechargeable battery
- 512 MB storage memory
(expandable via SD card)
- One year warranty

In the box

- ECO Reader
- Leather case
- USB cable
- AU/NZ battery charger
- Headphones
- User Manual

Cross-Section of Electronic-Ink Microcapsules

NOTE: Copyright E Ink Corporation, 2002. Image not drawn to scale - for illustration purposes only.

Visually Impressive

The ECO Reader utilises the latest generation of E Ink's microencapsulated ink imaging film - Vizplex. The Vizplex technology requires no front or backlight, is viewable under a wide range of lighting conditions, including direct sunlight, and requires no power to maintain an image.
